The property is a traditional brick built three-storey building under pitched tile clad roofs. The ground floor provides two retail units with upper floors largely unused having lapsed consent for residential conversion. There is a covered entrance route secured by double doors providing access to a courtyard beyond which are storage buildings extending to two-storey height in part.

We attach a site layout plan showing the property as existing together with ground, first and second floor plans of the main frontage building as existing.

The property is available For Sale freehold at a price of £180,000 on an unconditional basis.
